Jam Crew Description. An ideal Jam Crew member is someone who is a true QCDQ Dance Fanatic and beyond. This group of regular class participants exhibit exceptional dedication to attend classes regularly, know the moves and the cues, add energy to the class and serve as the QCDQ welcome wagon to new participants. Jam Crew is introduced at the beginning of classes as part of the instructor's entourage. The Jam Crew earns FREE classes and special discounts and has special privileges.

Jam Crew Qualifications.

- Anyone that shows dedication to attend class regularly with QCDQ!! There are no auditions or try-outs for the Jam Crew, however you must have attended 20 QCDQ classes or have been a regular QCDQ participant for 6 or more months before you can apply to be part of the Jam Crew. In order to accumulate your rewards, you must attend class regularly as a Jam Crew member (with attire) and be willing to complete several Jam Crew Duties (listed below).

Jam Crew Duties

- Wear your **QCDQ Jam Crew attire** so that you stand out in class! You must wear your attire in 80% of classes attended (or at least 8 classes on a UL card) in order to get your rewards. We are doing new orders pretty regularly now (and we have lots of shirts in stock), so make sure you have enough shirts to support your dancing addiction.
- Jam Crew members position themselves so that they can **provide other class participants with a model of the moves** that the instructor is doing. If a new participant is in the back and can't see the instructor from where they are standing, they will be watching you! It is great to have Jam Crew on the front row, but it's also great to have them in the middle of the room too!
- Jam Crew members embody the message "If you are moving, you are doing it right". Even if the choreo is new or difficult, the other participants can always see that **you are moving and trying your best**. Jam Crew will always try their best to "get" the moves.
- Jam Crew members **show different variations of the moves**. We love to have participants completely rock out a move at full intensity, but we also love to see members modeling an easier or lower impact alternative. It is good for participants to see the different ways that the moves can be performed.
- Jam Crew members can **clap, hoot and holler before class and between and during songs, and sing loudly when at all possible**. The more noise you make the more fun we will have!
- Jam Crew members **may change positions during class**. For example, they can move to different locations of the room (far right, far left and far back) during certain songs to assist with songs that "turn around" the room. If a song comes on that you know will "turn around", please take the initiative to position yourself for others to follow you.
- Jam Crew members may be invited to stand by the instructor at the front of the room (or on the stage). If you are interested in this option, **let the instructor know ahead of time** so we can prepare you for this and invite you forward at appropriate times. This is for the safety of our classes and to allow for training of new instructors.
- Jam Crew members **help to make new people feel comfortable** by welcoming them to class, encouraging them and talking to them about your experience with class. When you see a new face, please introduce yourself and tell them proudly that you are part of the Jam Crew. You can offer to help them with any of the moves and to answer any questions they have about the class cards.
- Jam Crew members **know the class procedures** and set a good example for others by following them. This includes proper usage of class cards, following sign-in procedures and listening to opening & closing announcements.
- Finally, Jam Crew members **tell everyone they know about QCDQ classes**. You can keep spreading the word about our classes by telling people about the First Time FREE coupon on the QueenCityDancingQueen.com website and talking to them about how much you love class.

Jam Crew Rewards

- Receive double the number of Reward classes on 5, 10 & 20 class cards.
- Receive double the amount of a discount on UL cards
- Get special priority to participate in QCDQ performances, demos and special events

Jam Crew Applications. Completed applications may be turned in at any class and must be turned in with payment of the \$30 enrollment fee or they will not be accepted. In addition to the ability to earn Jam Crew Rewards, the \$30 fee includes one Jam Crew t-shirt (regular unisex t-shirt only) and a Jam Crew keychain. Jam Crew applicants will submit their payment and application, which will be reviewed by the Instructor. After being approved, the applicant will receive their Jam Crew shirt & key chain and may begin to earn their Rewards.

Additional Jam Crew Apparel. Participants may purchase additional Jam Crew shirts in a variety of colors and styles when QCDQ apparel orders are being taken. Jam Crew will pay the regular price of the item that they desire plus \$3 for each item to which would like to add "Jam Crew".
